Afternoon sir – further to the below, was flagged to the department as they plan for the use of barricades and fencing. I don't have more for you for the moment I'm afraid.

Hey Colin

Just passing along a flag from our shop. With the addition of the fence to the National War Memorial, the thought came up that we should consider fences at the National Aboriginal Veterans Monument (it had similarly been disrespected last weekend but got less attention). Not sure if crews are out putting up fences but would encourage it if its possible.

Hope you're doing well and look forward to getting out for a walk.
Cheers
